

## Wonderful Cross

Written by P.Soeur, S.Toh, J.Yuvaraj

V1

As I look at the wonderful cross  
I see my sins wounded and scarred  
The Kings above all Kings  
Who was left hanging  
On that blood soaked wooden cross

V2

As darkness fell over the land  
Our Saviour was taken from our hands  
And though it seemed like an eternity  
In three days he rose victoriously  
How awesome is our God

C:

He has risen from the grave  
He has risen  
So I will stand and sing with the saints  
Of how awesome is our God

V3

Salvation was given through grace  
Redeemed we live free to face  
What was before an uncertainty  
And now I can stand to be  
With my friend, Saviour and King
